Van Sank four on end

The **TRIXTON** gelding **Van Sank** made it four straight when he led throughout at Albion Park on Saturday night (May 14) and he is entitled to be rated the best trotter for the season in Queensland.

The five-year-old has won five of his six starts this season and 12 of his 40 lifetime starts and has earned almost \$90,000.

Bred in Victoria by Louise Toulmin, **Van Sank** is out of a mare by Earl.

Van Sank is one of the first crop of 10 foals sired by **TRIXTON** and seven have raced and six have won.

All told, **TRIXTON** has left 18 foals three-year-old and older in Australia for 16 starters and 11 winners – an amazing siring score.
