Muscle Hill sires winners in three continents

Champion sire **MUSCLE HILL** left important winners in three different continents in May.

MUSCLE HILL produced the trifecta in all three divisions of the New Jersey Sire Stakes for three-year-old trotters at The Meadowlands on May 20.

Southwind Frank, world champion and the nominal favourite for The Hambletonian, marched to a 2-1/2 length win in a new lifetime mark of 1:52.2 to make it 12 wins from 13 starts, while **All The Time**, a leading Hambletonian Oaks contender, crushed her rivals by 7-1/4 lengths in a career-best 1:53,4.

Wildflower completed the sweep for **MUSCLE HILL** in the other fillies' division, winning in a new lifetime mark of 1:55.

Meanwhile, **Propulsion**, an American-bred Swedish trained son of **MUSCLE HILL**, set a new track record of 1:52.6 winning the prestigious Finlandia Ajo on May 8 and will be one of the leading fancies for Saturday's Elitlopp.

A \$210,000 purchase, **Propulsion** is undefeated in six attempts in Europe.

On the home front, **Glenferrie Burn** won in a brilliant 1:57 at Menangle on May 21 and the three-year-old gelding **Menewa** posted his first win at his second start at Cranbourne the following night.
