Holiday winners in NZ

Our leading sires **LUCKY CHUCKY** and **MUSCLE HILL** were both represented by 'new' winners in New Zealand during the holiday racing.

Luck Of The Moment, a three-year-old filly and one of **LUCKY CHUCKY'S** first crop, won twice at Bay Of Plenty in the space of a week. She is out of an unraced Sundon mare.

LUCKY CHUCKY, a former USA 2YO and 3YO Trotter of the Year, has sired three winners from four starters with his first small 'Down Under' crops.

While **MUSCLE HILL** left two 'new' winners in **All America**, a three-year-old gelding from a Dream Vacation mare who scored at only his second start at Auckland, and **Without Doubt**, a three-year-old gelding from a Sundon mare who won impressively on debut at Wyndham.

Girls On Film, a three-year-old **MUSCLE HILL** filly, posted her second success when she romped home by eighth lengths at Bay Of Plenty on January 5. She is out of Regal Volo, an American-bred daughter of Malabar Man.
