Hot Start for Lucky Chucky

Lucky Chucky, the 2010 USA Trotter of the Year, has made a spectacular start to his stud career in North America.

A two-year-old filly, Hot Start, a \$52,000 Lexington Sale purchase, captured a division of the New York Sire Stakes in 1:59.2 at Vernon Downs on June 26, ten days after qualifying at The Meadowlands in 2:00.2.

Lucky Chucky has already been represented by 31 qualifiers from his first crop of 84 foals including two in 2:00.

Muscle Hill, his Stallions Australasia studmate, led in the trifecta in the \$38,500 New Jersey Sire Stakes for two-year-old trotting fillies at The Meadowlands on June 27 with Saturday Mornings (1:57.4) beating Demons N Diamonds and Southwind Cartier.

Meanwhile, Wishing Stone, another of the Stallions Australasia line-up for 'Down Under' this year, made a triumphant return to the racetrack on the same card, winning in a sharp 1:52.8 after a six months stint in the breeding shed.

It was the 22nd win of his career and took his earnings to more than \$2.2-million.

Wishing Stone, standing at Deo Volente Farms in New Jersey, fulfilled contracts for 331 doses of frozen semen overseas as well as being bred to some 30 mares in America.
